

The Countdown (The Countdown Series Book 1)

The Countdown is a labor of love for those wanting to understand Biblical themes with modern-day examples and narrative. This series counts down ten extremely important topics for every Christian, from unforgiveness and love to significance and our God-given value. Especially targeted, but not limited to, a younger audience, this book nails the contemporary analogies of these themes to books, movies, music, video games, and television. If you are tired of inaccessible theological books and want a fresh, young, current voice, The Countdown will not let you down. But the real question is, are you ready to let God change you? Are you ready to start The Countdown?
