

Awake My Heart (The Bentini Brothers Book 3)

AWAKE MY HEART This book is intended for Adult Audiences only. It contains sexually explicit scenes and language. Prologue Mr. Walters turns from the window. Kathy doesnt speak about her job much, well, not anymore, he says, not sure if he is trying to fill the void or searching for information. When she began working for your mother, it was Mrs. Bentini this and Mrs. Bentini that. She always spoke very highly of your mother. Yesand then one day she just stopped. No more talks about the Bentinis, Mrs. Walters adds. She just clamed up. Eyeing the younger man suspiciously. She works for your mother, but you are hereholding her hand. Do you mind telling us why? Mom, Dad, how is she?! Kathys sister Emily, burst into the room, but comes to a halt the instant she notices William sitting in the bedside chair holding her sisters inert hand. Who the hell are you? Emily demands antagonistically who does he think he is, her mother should be sitting there! William slowly gets to his feet, facing the titan-haired, highly polished, older version of Kathy. Emily! Mr. and Mrs. Walters are quick to admonish. Im William Bentini. Kathy and I His words falter. Kathy works for my mother Emily cuts him off. We know. But that doesnt explain why you are sitting there holding her hand. Emily, please, stop this at once. Now is not the time. Obstinate she persists. But mom, something isnt right here. What about Todd? Mr. Walters voice lashes out, enunciating each word falling from his stiff lips, Not now Emily! Which has an immediate effect as Emily falls quiet, yet continues to shoot daggers at William. William, not appreciating the attack and furious at the mention of another man, returns daggers of his own, his gaze now becoming hostile. Looking at the distraught family, he offers, I will give you privacy. This is my personal number, he

says handing an expensive business card to Mr. Walters. I will not be gone long. I have to check-in at the office. Please call me if anything changes anything. He holds Mr. Walters gaze until the older man acquiesces. If either of them had bothered to look closely at the woman lying on the bed, they would have seen the slightest pucker of a frown, there and gone in an instant. ebooks by Jaye McCloud
