Its Halloween. No one can hear you scream when everyones screaming. However, Deck Waxer and his partner Maru are in for some true terror. Jeff, an employee at their occult shop, has the ability to astral project. He begins to believe he is being drawn into the body of a vile beast at nighta monster that looks like a man just long enough to have sex with tricksand then treat them to a fatal mauling. But there are no bodies to be found in the morning. Is Jeff just getting his astral and dream worlds mixed up? Deck fears not when he learns that lead Wiccan Franky and the other guys of the Comfort Coven have been keeping two men in hiding in their barn. Two men from Decks tragic past. Two men who have a curse that makes them hairyand man-hungry. And not in the good way. SCREAM, QUEEN!
