

Sam (Claiming my Cowboy Collection) (Volume 3)

Sabrina Tucker always gets what she wants. That is, until she meets Sam Michaels. Sabrina, not used to being told no, will stop at nothing to claim Sam. Sam, never having been pursued so ruthlessly, will do anything to keep her away. Sam's family has tried for years to get him to settle down. They say they don't understand why he guards his heart. Why should he wear his heart on his sleeve? They know the reason, hell everyone knows. Why give your heart to someone only to have it ripped out? Why open yourself to that kind of pain? That kind of hell? Why? Because his brothers did? He has been there, done that and it was all taken from him in a single night. No one should ever have to feel that kind of pain. That kind of loss. He swore that it would never happen to him again. Until he meets Sabrina
