

## Killing With Confidence (1)

Osiris Vance is a killer with standards. Addicted to motivational books by self-help gurus, he refines his technique with each slaying, aiming to fulfil his ambition to become the greatest ever serial killer. Why be ordinary? The brutal murder of glamorous self-made millionaire Selina Seth leaves her husband the prime suspect. But ageing, technophobic investigative journalist April Lavender and her young side-kick Connor Presley think otherwise. They soon unravel a web of ruthless ambition and a string of adulterous affairs. Trying to stay ahead of the press pack, they have to contend with a detective with issues, a vengeful gangster, a perfectionist serial killer and a newspaper regime setting them up to fail. April believes they can find her real killer - if they are given the time
