It brings a very special feeling to start the day. (not a paid endorsement) -@LuckyInGeorgiaSo (Jason Alan) wrote a tome. Buy that shit. 5 star reviews. -@FrauFickenDammtNot for the faint of heart, Spank Material for the Clinically Insane is a collection of wildly inappropriate and delightfully offensive humor(?) tweeted over a period of two years. Leaving out all the filler, @ replies, minutia and just plain bullshit, only the most vile and disgusting jokes remain to tickle and then saw your funny bone in half (while it still remains attached). Ok, fine, so some of the filler and bullshit is still in there, but nevertheless, nothing horrible

about the human condition is left off the table. Racism, drugs, homophobia, famine, murder, rape, domestic violence, celebrities and just about every other party favor is touched upon. If you dont feel bad for laughing, then you need psychiatric help. Its a psycholocaustocalyptic trip that will leave your mind cowering in the corner in the aborted fetal position. Enjoy.Sure, the regular ol twitter pervs like it, but what does the mainstream media have to say?A horrible sign that the end is truly nigh. -New York TimesI wouldnt let my dog piss on it. -Alternative PressThis is the best book I have ever read! -Mark TwainThis asshole can see, hear and talk? There is no god. -Helen KellerLooks like I have more characters left for the description. Maybe I should throw in some of the jokes I have planned for part Spank II: Part DeuxDeux...Be the ball. Sit there while I hit you with a bat.I was responsible for the fall of the Berlin Wall, but it wasnt intentional. I was only trying to install a glory hole.You cant even take a shit these days without being filmed. Unless you find the camera I put in your bathroom. And if you do, it wasnt me.I was doing September 11th jokes in the 90s. Nobody really appreciates you when youre ahead of your time.When I get depressed about spending my last eight bucks on cheap whiskey, I drink it and Im magically not depressed anymore.I break at least three laws every time I shit.Hate is the best lube.Marriage: testicular manslaughter.When Im bored, I imagine old women braiding each others nipples.Katherine Heigl stars in Abort, Retry, Sail, a romantic comedy where she gets pregnant, changes her mind, tries again, then gets a boat.Fiction authors dont keep it real.Militant feminists eat pussy like theyre mad at it.I only jack off because my sperm dont pay rent.Too many assholes, not enough mudholes.My wiener is a finger pushing the red launch button in your doodoo box.Well, I suppose that will suffice for just a preview, since it seems that I am running out of charac
